MBCBUS.COM
Micro Bird Commercial, a division of Micro Bird Inc., designs and manufactures a complete line of commercial buses for up to 28 passengers.

Since 1966, Micro Bird Inc. has continued to set industry standards with its innovative design, quality and safety; creating value for its customers.

Our buses are purpose built for tours, assisted living, public transit, shuttle markets and many more.
FEATURES AND BENEFITS

D-SERIES | CT-SERIES | S-SERIES

| BUILT TO LAST STRUCTURE |
• One-piece galvanized steel roof bows enhance safety and roll over protection
• Aluminum side body panels for longevity and low repair costs
• Reinforced step well for better stability

| ENHANCED PASSENGER SAFETY |
• Heavy-gauge steel side impact barriers that incorporate the seat rail into the design for extra strength
• Reinforced rear door and buffer zone for rear impact (D-Series)

| REDUCED OPERATING AND MAINTENANCE COSTS |
• Gravel shield for added body protection and increased vehicle longevity (D-Series)
• Standard LED exterior lights

Double action energy absorbing body mounting blocks:
• Absorb road vibration
• Reduce noise transfer to the interior cabin
• Provide smoother passenger ride
• Prevent frame collapse
• Eliminate the need for periodic tightening of body bolts.

| SUPERIOR INSULATION AND QUIETNESS |
• Fiberglass insulation throughout
• Insulated hat shaped roof bows
• Noise transfer reduced inside passenger compartment
• Prevents condensation and corrosion

| INCREASED PASSENGER COMFORT |
Wide Body:
• Creates a wide center aisle
• Offers more room for passengers

| BETTER PROTECTION AGAINST THE ELEMENTS |
Completely sealed floor:
• Ensures that all exterior elements, including dust, moisture and noise, remain outside the passenger compartment
• Use of high quality exterior grade plywood
  - Screwed on galvanized steel or aluminum subfloor
  - Sound deadening undercoating is applied over and underneath the metal subfloor prior to plywood installation

| MAXIMUM VISIBILITY |
• Fully-glassed entrance door and unobstructed “More-View” window
• Standard 32” electric double-opening door

|| ALSO AVAILABLE: |
DS-Series, CTS-Series and SS-Series: All our commercial buses are also available with special needs options. There is a wide variety of seat plans offered to meet your needs.

<< WITH OVER 30,000 BUSES BUILT TO DATE, WE ARE COMMITTED TO OFFERING THE HIGHEST LEVEL OF QUALITY IN OUR PRODUCTS. >>
